## COLUMBIA BASIN GROUND WATER MANAGEMENT AREA

### ORGANIZATION AND ADMINISTRATION

#### GWMA LEAD AGENCY:

The Lead Agency, which consists of the Boards of County Commissioners of Adams, Franklin, Grant and Lincoln Counties, oversees the direction and activities of the GWMA. The Lead Agency has final approval authority over all recommendations of the GWMA Administrative Board relative to administration and fiscal management, personnel and budgetary allocation of funds.

#### GWMA ADMINISTRATIVE BOARD:

The Administrative Board consists of eight members, one county commissioner representative from each of the four Boards of County Commissioners of Adams, Franklin, Grant and Lincoln Counties and one citizen member from each of these four counties. The citizen members representing each county are appointed by the appropriate Board of County Commissioners and provide a broad representation of the participant groups that make up the GWMA. The Administrative Board oversees the day-to-day operations and administrative functions related to the GWMA's activities, projects and programs.
